

YSHCC Board Director

Experience, Education & Service

has proudly worked for Sutter Health since 2004 and is a Community Health Coordinator for the External Affairs department in the Sutter Health Valley Area, where she is responsible for managing community partnerships in Yolo, Amador, Yuba, and Sutter counties.

Her previous work experience includes managing Sutter Health Valley Area's sponsorship process, employee volunteer campaigns, community benefit reporting and budgets. In her current role, Angelika has helped implement and manage multiple community benefit programs, some of which have been adopted as best practices Valley wide, such as the award winning children wellness program, Fit Quest. In addition, she has fostered the growth of many community partnerships and created strategic investments designed to address priority health needs for vulnerable populations, including lack of access to primary, preventive and mental health care for the underserved, food insecurity, issues related to homelessness, and gaps in wellness and education for children and families.

Currently, Angelika is a board member of Yolo County Children's Alliance and Yuba Sutter Healthcare Council. In 2014 she was awarded a lifetime membership to the Inspire Giving Committee in recognition of her commitment to serving the community. She is also an active participant in various healthcare collaboratives across Yuba, Sutter, Yolo and Amador counties.
